Posters

Our poster networking session will be during Saturday morning's Networking Breakfast at the Zoo. We will have tables along the walls for poster display. Please make sure that your poster displays can stand alone as there will be no way to affix them to the wall.

Posters must be picked up after the last networking break on Saturday. The Sedgwick County Zoo has generously donated the meeting space and ask that we leave it like we found it – neat and clean!

Silent Auction Items

For Silent Auction items, please attach your name, the value of the item, and the starting bid for each item (forms enclosed). We encourage you to bring business cards if you donate an item that you market.

Notes

- Remember that all of the clinics and workshops are at the zoo and the evening meals are at the hotel!
- Information packets (maps, event times) will be available at the check-in desk at the Hilton.
- We do our best to provide accurate maps and directions; however **PLEASE** remember to check all directions with a map or your preferred online mapping system to verify.
