

Yes, I want to help save endangered breeds from extinction!

By becoming a member of the American Livestock Breeds Conservancy, you can help preserve our agricultural heritage as well as provide a significant source of funding for this unique conservation effort.

Many ALBC members also raise rare breeds. Individual breeders make up an active network of people who participate in hands-on conservation, marketing and public education.

A \$30 membership provides the following benefits:

- Bi-monthly ALBC News
- Annual Breeders Directory
- Updates on education programs and events
- Special pre-publication prices on ALBC publications
